UNDER 37 C.F.R. §1.313(C)

Dear Sir:

Pursuant to 37 CFR § 1.313 (c)(2), Applicant petitions to withdraw the above-referenced application from issue to allow consideration of the enclosed Request for Continued Examination (RCE).

Withdrawal of the application from issue is required to allow the Examiner to consider the amendment to the written description to perfect a claim of priority as provided in the Amendment submitted with the RCE. The claim of priority is proper as the present application and the patent to which priority is being claimed were copending and both name at least one common inventor pursuant to 37 C.F.R. 1.178(a)(1) and the present application was filed prior to November 29, 2000 pursuant to 37 C.F.R. 1.178(a)(2)(ii)(B).

Should there be any questions regarding this petition, please telephone the undersigned at 408-982-8202.
